CONSENT AGENDA

AGENDA: Montezuma Police Chief Eric Finch presented an in-depth overview and demonstration on how the departments are separated in Justice One Management Data System (system used for all officer activity). He further explained other concerns with GCIC Certification, revenues, newly certified officers, and administration (management, investigations, technical support, training, scheduling, etc.)

Discussion of Plans to extend or end intergovernmental agreement with Montezuma and Oglethorpe Police Department.

Oglethorpe Mayor & Council requested the following contract revisions:

12-month extension of contract.

Reduction of \$3,000.00 Management and Administration fee

Change from Monthly Concentrated Patrol Coverage Fee of \$2,000.00 to charging per call.

Keep this clause in the contract “either party may cancel this agreement by giving the other party written notice at least thirty (30) days before the effective date of the termination.”

Other requests not included in contract revisions:

Request that a weekly work schedule is sent to Oglethorpe Municipal Court Clerk and copy Mayor Daniels.

Mayor Daniels requested that employee deficiencies are promptly emailed to him.

City of Montezuma stated following:

Preferred 5-month or 17-month extension of contract due to Montezuma’s budget calendar.

Montezuma advised that Management and Administration fees should remain the same.

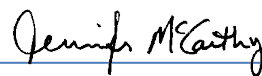

Addressed charging per call vs flat fee of \$2,000 for Patrol Coverage.
